## Competition Notes

- This competition is a fun way to end the year so all events are treated as 'novelty' events.
- If there are any events that are not listed and you know there would be at least two couples, please just let me know and we can potentially add this.
- The events will not be run in the same order as the events listed in the following pages.
- 10 Dance events only require one entry tick for the combined dances.
- This is an additional competition to give dancers an extra 'run through' before some attend the Australians in December.
- The New Vogue dances are in line with the Australian dances.
- The organisers will not be responsible for any lost or damaged personal items.
- Following this competition, it would be great if people could stay to dance socially, chat and share a plate together. If anyone would like to stay please bring a plate to share for supper.
